Mențiuni: Prețurile sunt valabile pana la 31 Decembrie 2012. Ele pot fi modificate fara avertizare prealabila, in functie de evolutia cursului lei/euro sau de alte motive independente de vointa noastra.

In preț s-au inclus toate cheltuielile de transport internațional si de asigurare a acestuia. Pentru comenzi mai mici de 1.000,00 lei fara TVA, percepem o taxa de 75,00 lei pentru transportul rapid al produselor, in cutii termoizolante, la rece, de la Bio Zyme pana in laboratorul dumneavoastra.  
LIVRAREA produselor se face după primirea comenzii ferme din partea serviciului de achiziții al solicitantului, în maxim 30 zile lucrătoare.

PLATA către SC Bio Zyme SRL se va face prin ordin de plată, în lei, în maxim 30 zile după recepția produselor primite, conform prețului din ofertă.

**Depasirea termenului de plata (de maximum 30 zile) poate fi penalizata prin majorare a sumei ramase de plata, cu o valoare egala cu dobanda Bancii Transilvania la conturile de depozit in lei (cca. 10% pe an).**

\* Pentru a beneficia de preturile preferentiale pentru produsele FERMENTAS, FINNZYMES, STARLAB (-25% permanent) si ZYMO RESEARCH si AbGENE (-15% permanent), corespunzatoare programului numit "congelator Bio Zyme" trebuie sa incheiati cu Bio Zyme SRL o conventie prin care sa va angajati la cumpararea acestor produse in valoare de minimum 7.000 EURO anual, timp de 2 ani.

In cazul unor reduceri de preturi la anumiti reactivi (promotii temporare facute pe pagina de internet www.biozyme.ro si in buletinele informative trimise prin e-mail) mai mari decat cele din aceasta oferta, beneficiati automat de pretul cel mai mic pentru comenzile efectuate in perioada promotiei.
